This petition is filed under Article 226 of the Constitution of India to quash Ext.P3 notification, whereunder applications from children of general public are also invited for admission to the school run by Cochin Refineries. The learned counsel appearing for the petitioner argued that if the 3rd respondent is permitted to admit students of the public also, it will adversely affect the chances of admission of the children of the employees of the Cochin Refineries. The learned counsel appearing for the respondents submitted that by Ext.P3 notification, the priority available to the children of the employees of Cochin Refineries will not be affected and other students will be admitted only for the vacant seats. Recording the submission, the Writ Petition is closed.
